

# IGNITE THE ARTS

DONATE TO ARTSKC

WE'LL TURN YOUR GIFT INTO GRANTS THAT INSPIRE ARTISTIC EXPRESSION.

From ArtsTech to The Barn Players Theater, artists like Laura Berman and bands like Making Movies, ArtsKC awards more than 100 grants annually that support our vibrant arts community. Those grants represent a partnership between donors like you and ArtsKC.

Make a monthly recurring donation and provide tangible support to local arts organizations, individual artists and arts programs.

### YOUR DONATION GOES A LONG WAY.

Here are a few examples of how your donation supports grant recipients.

**\$ 10** per month | buys a year's worth of supplies for an at-risk youth art therapy program.

**\$ 20** per month | pays for a grade-school class to attend a local art gallery workshop.

**\$ 40** per month | covers bus transportation for a grade-school class to enjoy a matinee show.

**\$ 50** per month | gives a local band one day of recording studio time.

When you donate a total of \$120, or more, you're eligible to receive free and discounted tickets to exclusive, behind-the-scenes arts Encounter events.
