

THE 2019 AWARDS LUNCHEON

ABOUT THE EVENT

THE ARTSKC AWARDS LUNCHEON:

Considered one of Kansas City's most inspiring business events of the year, the ArtsKC Awards Luncheon hosts 1,000 leaders in the business, civic, and arts communities! This annual event recognizes and celebrates the accomplishments of the individuals and businesses who are the driving force behind our thriving arts community.

"As supporters of the arts in Kansas City, we are elated to chair the 2019 ArtsKC Awards Luncheon! The arts are not only the biggest reason Kansas City has become one of the most vibrant and culturally interesting cities in the U.S., they are the single biggest reason the city has seen explosive growth in its downtown and business communities. Art trail-blazes a path for communities to attract and engage educated, entrepreneurial and talented individuals. Plus, art is cool. And ArtsKC is the nurturing home for all segments of our diverse artistic community. Please join us at this year's Luncheon, where we have something especially unique planned for ArtsKC's 20th Birthday!"
