**About the ArtsKC – Regional Arts Council:**

ArtsKC is a regional nonprofit arts council that promotes, supports and advocates for the arts across a five-county region. We promote the arts for their individual, community and economic benefits, and we create initiatives that drive audience engagement in the arts. We provide arts organizations, artists, and arts programs with professional support and investment, including grants that we award annually. We serve as the voice of the arts regionally by building relationships with government officials and advocating for the development of public funding, all in support of the arts as an economic and social driver.
