

2022-2023 Teri Rogers Filmmakers Grant

ArtsKC - Regional Arts Council

Application

Teri Rogers Filmmakers grants are for self-identifying women and gender nonconforming early-career directors creating new film, video, and digital production work in the short film, narrative genre (non documentary). **The purpose of these grants is to support ambitious projects of *risk, growth, and change* for the filmmaker that also make a positive impact on the community.** This funding is meant to support the process of production (filming) or post-production.

ArtsKC will award one director with \$10,000, a five-year membership to [Film Independent](#), a subscription to [Movie Maker Magazine](#), and mentorship opportunities with professionals in the field.

The application process is **very competitive**. Provide readers with **clear, specific details about what you plan to do**. Be persuasive. Answers that are too brief or vague do not work in your favor.

We highly recommend that you read the [Teri Rogers Filmmakers Webpage], which includes general grant application advice. Questions? Ask Tara Karaim, ArtsKC Grants Manager: grantmaking@artskc.org.
