

2022-2023 Inspiration Grant

ArtsKC - Regional Arts Council

Application

Inspiration grants are project grants for **individual artists** or **small groups of artists**. Visual, dance, music, theater, poetry, and interdisciplinary art applications are welcome. The purpose of these grants is to support ambitious projects of *risk, growth, and change* for the artist and/or projects that make a positive impact on the community.

Applications for assistance with normal, 'business as usual' expenses involved with the applicant's customary art practice or professional activities are not a high priority for funding and are generally not funded.

The application process is **very competitive**. Provide readers with **clear, specific details about what you plan to do**. Be persuasive. Answers that are too brief or vague do not work in your favor.

Grant Amounts: Grants will be \$2,500. Due to this change, ArtsKC is no longer asking you to define your requested amount.

We highly recommend that you read the [https://artskc.org/art-creator/grants/inspiration-grants/Inspiration Grant Information Page](https://artskc.org/art-creator/grants/inspiration-grants/Inspiration%20Grant%20Information%20Page), which includes general grant application advice. Questions? Ask Tara Karaim, ArtsKC Grants Manager: grantmaking@artskc.org.
